

Attributes Cards

by DAREN CARSTENS

Attributes Cards are based on the concepts found in the iPad app Attributes by Math Doodles. This PDF of Attributes cards contains five pages. The first four pages include the artwork of 76 cards: 64 object cards, and 12 single trait cards. The fifth page contains the design for a box. Print onto 8.5" x 11" sheets of 110 lb. card stock, and then cut out the cards and foldable box.
